

Ohio Department of Transportation

Prebid Questions

Project No. 100309

Sale Date - 5/20/2010

Question Submitted: 5/13/2010

Question Number: 1

1. How will the unclassified excavation and subsequent embankment required to install the lagging be paid? It is not clearly defined in the plan notes or quantities.2. Sheet 15/15 shows both W12x53 and W18x76 pile shapes in the details. Please verify which pile is to be used.3. If aggregate is required on the shoulder to maintain traffic, how should this be accounted for in the bid items? Is it incidental to the Maintaining Traffic bid item?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
