## Prebid Questions

Project No. 101064

Sale Date - 4/15/2010

Question Submitted: 3/22/2010

Question Number: 1

There are 3 Power services shown on the plans, however there are no details given for them. Are they pole mounted or what.

**All 3 power services shall be pole mounted.**

Question Submitted: 4/13/2010

Question Number: 2

With the long lead time of the decorative light poles already an issue and the delay of the bid, we request the project completion date be pushed back to at least 10/31/2010 to allow the contractor to receive the poles from the manufacturer and complete the project by the required completion date.

Question Submitted: 4/5/2010

Question Number: 3

What is required for bid item 1 - Erosion Control. Protection around catch basin or what?

**Please refer to SS 832 on how and when the Erosion Control item each is used.**

Question Submitted: 4/5/2010

Question Number: 4

Note on page 30 utility facilities states that Toledo Edison owns poles and fixtures and they will remove them. Bid items 20 and 22 call for work to be done. Does the contractor or Toledo Edison do removal?

**The removal will be done by Toledo Edison. The pole and luminaire removal reference items have been deleted.  
The pole foundations will need to be removed by the contractor.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
