Prebid Questions

Project No. 040580

Sale Date - 11/3/2004

Question Submitted:

Question Number: 1

Q1) - Ref 25 Pavement Repair

The requirements of this item are stated in 253.05 "Basis of Payment" in the C&MS and the replacement materials are specified within this same Designated Local Detour note. 253.05 "Basis of Payment

This work consists of removing existing asphalt concrete, brick, portland cement concrete, or aggregate pavement courses; shaping and compacting the exposed material; and placing new asphalt concrete pavement or aggregate and asphalt concrete pavement courses. The plans show details about the repairs and replacement material

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
