Date: July 20, 2012

To: Users of the Hydraulic Standard Construction Drawings

Re: Hydraulic Standard Construction Drawing Revisions

Transmitted herewith are revisions to the Hydraulic Standard Construction Drawings.

The following significant revisions have been made.

## ALL

- Updated title blocks and references to Office of Hydraulics. Removed metric dimensions. Minor grammatical changes (ex. active voice imperative mood).

## Inlets (all)

- Modified language for concrete sealing and payment

## DM-4.2

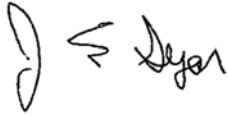

- Removed "Type A-1" from title block.
- Changed references from Types A-F and H-I to Non-Excelsior, and from Type G to Excelsior.
- Added 4" overlap dimension to Check Slot at Structures detail.
- Added Downgrade End of Mat callout on End of Roll Overlap detail.
- Added end slot requirement to Excelsior Erosion Control Mat Installation detail.
- Removed Overfold Detail.
- Removed Type G Mat note.
- Removed staples note.

Copies of all of the current Hydraulic Standard Construction Drawings are available in Microstation and PDF formats on our website at:

<http://www.dot.state.oh.us/Divisions/Engineering/Hydraulic/Pages/Hydraulic-Standard-Construction-Drawings-Revisions--Updates.aspx>

Technical questions or recommended changes should be directed to Jeff Syar (614) 275-1373 or Matt Cozzoli (614) 466-3152.

Respectfully,

A handwritten signature in black ink, appearing to read "J Syar". The signature is written in a cursive style with a large initial "J" and a stylized "Syar".

Jeff Syar, P.E.

Hydraulic Section Head
