

Recent changes to Federal Code affecting the acquisition of rights of way necessitated an update to the 5000 section of the ODOT Real Estate Manual. This section of the Manual has had a major rewrite and has been retitled as “Regulations Implemented, Description of Process to Acquire Rights of Way. Additionally, section 5600 of the Real Estate Manual has also been updated. This section is entitled “Real Estate Taxes” and has not seen meaningful changes in 20 years. Changes were required to reflect current processes to remit ODOT from real estate taxation which also required amending the RE 57 form.
