

Privately owned roadside hazards (encroachments) within the Right of Way to be removed/relocated:

	Within
Low Speed Urban (45 mph and under)- Curbed	4 feet from face of curb*
Low Speed Urban (45 mph and under) - UnCurbed	8 feet from edge of traveled way
Low Speed Rural (45 mph and under)	Clear Zone from edge of traveled way
High Speed for both Urban and Rural (50 mph or more)	Clear Zone from edge of traveled way

*On speeds 35 mph and less this offset may be reduced to a 1.5 ft. "Operation Offset" for necessary design features (hydrants, meters, traffic signals), but not for privately owned items or landscaping elements

City to issue Revocable Permits to owners for encroachments (non-crashworthy mailboxes or decorative walls, etc.) which are outside of these lateral offsets yet still within the Right of Way limits
