

OHIO MANUAL OF UNIFORM TRAFFIC CONTROL DEVICES FOR STREETS AND HIGHWAYS (OMUTCD),

2005 Edition, Revision 2

March 18, 2011

This Revision Notice should be inserted in the front of the Manual, the date on the Cover insert and spine for the Manual should be updated, and the attached sheets should be printed double-sided and inserted into the Manual by page number.

As of this date, the following revisions have been made to the 2005 Ohio Manual of Uniform Traffic Control Devices (OMUTCD), Revision 1:

1. **Cover Insert and Spine, and Title Sheet** – Revised “Revision 1” to “Revision 2”; revised “December 23, 2009” to “March 18, 2011”; and revised “Effective January 15, 2010” to “Effective April 15, 2011.”
2. **Preface** – Added a new third paragraph about Revision 2 of the 2005 OMUTCD. Also, added a reference in the sixth paragraph to the Metric Conversion Tables in new Appendix A2.
3. **Addresses for Publications Referenced in the OMUTCD** – Updated the address and added phone numbers for: AASHTO, AREMA, FHWA Report Center, IES, IME, ITE, ISEA, NCUTLO, OSHA, TRB, and the Access Board.
4. **Table I-1, Evolution of the OMUTCD** – Added information about the publication of Revision 2 at the bottom of the table, under the Revision 1 notation.
5. **Table I-2, Revision Record for...** – Added information about the publication of Revision 2 at the bottom of the table; revised the title of the table to “Revision Record for the 2005 Edition of the OMUTCD”; and deleted the information about the 2003 OMUTCD Edition.
6. **Contact Information** – Updated the FHWA contact information in Section 1A.10 for submitting requests for experimentation or interim approvals.
7. **Definitions** – Added definitions in Section 1A.13 for “Downstream,” “Hybrid Beacon,” “Pedestrian Hybrid Beacon,” and “Upstream.” Also updated and corrected the numbering of the definitions.
8. **New Sign** – Added the new CROSSWALK STOP ON RED (symbolic circular red) (R 10-23) sign to Figure 2B-19, and on page 2B-51, after the second “Standard:” header, added a paragraph addressing use of this sign with the Pedestrian Hybrid Beacon.
9. **Signal Warrants** – Based on changes made in Chapter 4C of the 2009 national Manual on Uniform Traffic Control Devices (MUTCD), added new Warrant 9 (Section 4C.10) and made other changes in the signal warrants in OMUTCD Chapter 4C.

10. **Pedestrian Hybrid Beacons** – Added new Chapter 4M, Pedestrian Hybrid Beacons, which is based on Chapter 4F, Pedestrian Hybrid Beacons, (with some text from Sections 4D.26 and 4E.06 for clarification) from the 2009 national MUTCD published by the Federal Highway Administration (FHWA) in December 2009.
11. **Part 9, Bicycle Facilities** – Added new Section 9C.07, Shared Lane Marking and Figure 9C-9, Shared Lane Marking, which are based on Section 9C.07 and Figure 9C-9 in the 2009 MUTCD published by FHWA in December 2009.
12. **Appendix A2, Metric Conversions** – Added Appendix A2 to address Metric equivalents for English units that may appear in the text without related Metric values.
