

OHIO DEPARTMENT OF TRANSPORTATION

2016 Animal-Drawn Vehicle Program Annual Report

John Kasich, Ohio Governor

Jerry Wray, ODOT Director

2016 Animal-Drawn Vehicle Program

Annual Report

In compliance with Section 5501.53 (A) of the Ohio Revised Code, any organization, individual, or group of individuals may give money to the Ohio Department of Transportation (ODOT) through the Animal-Drawn Vehicle Program to pay the expenses the state incurs in maintaining, repairing, or reconstructing state highways and roads upon which animal-drawn vehicles travel.

When donations are made, the donor has the option to direct the contribution to a particular state highway or portion of state highway. If no such designation is made at the time of the contribution, the ORC requires ODOT to use those funds to pay the expenses incurred in maintaining, repairing, or reconstructing a portion of state highway located within the county in which the donor resides or in which the donor maintains property, and upon which animal-drawn vehicles regularly travels.

ODOT must issue a written annual report detailing the amount of money the state, county, or township received under this section during the previous calendar year; the amount of money expended during the previous calendar year pursuant to this section; the amount of money received under this section but not expended during the previous calendar year; the highway or road projects for which the expenditures were made; and any other relevant data.

The attached document shows in detail the donations that were made to the Animal-Drawn Vehicle Program in calendar year 2016, as well as all previous years dating back to 2004. In calendar year 2016, a total of \$80,403.18 was donated to the Animal-Drawn Vehicle Program, a decrease of \$276.82 from 2015.

The largest donation in 2016 came from Eli J. Raber in the amount of \$62,000.00 of the Road Maintenance Fund. The remaining donations in 2016 were: \$14,210.00 from Samuel Weaver of the Road Maintenance Fund of Geauga, \$1,849.00 from Jacob Schlabach and \$1,155.00 from Paul J. Hershberger both of the Fredericktown Buggy Fund, and \$1,189.18 from Jonas M. Aufer of the Amish Steering Committee.

To date, the Animal-Drawn Vehicle Program has received a total of \$921,590.50 in donations, \$721,000.00 that has been used on various projects to repair buggy lanes throughout the state. A total of \$200,590.50 of unused funds remained at the end of calendar year 2016.

**OHIO DEPARTMENT OF TRANSPORTATION
ANIMAL DRAWN VEHICLE PROGRAM SUMMARY**

CALENDAR YEAR 2016 ACTIVITY

PROGRAM REVENUE:

Receipt Location: Dist/Div	Amount Received	Date Received	Donor Name:	Received From	County	Specific Designation
