IV. Time Is Money

Get Paid Sooner!

, **Simplify The Process**

, **Reduce Costs**

, **Improve Cash Flow**

Doing Electronic Commerce with ODOT

E-Business: The Ultimate Lifeline

I. What We Can Do For You

, Minimize manual effort

, Free your staff to perform more value-added tasks

, Reduce errors

, Shorten problem resolution time

, Improve customer service

, Reduce invoice processing time

, Get paid sooner

, Lower your cost of doing business

II. How We Can Help You

Electronic exchange of business information [no paper; minimal human effort]

, **Electronic Data Interchange (EDI):** geared towards higher dollar purchases
  < For larger companies
  < Vendor must be technically capable of doing EDI
  < Must receive your payments electronically (EFT)

, **Web-Invoicing:** geared towards low or high dollar purchases
  < For small to mid-sized companies
  < Internet and Web browser required
  < Minimal monthly maintenance fees
  < Must receive your payments electronically (EFT)

, **Payment Card:** geared towards lower dollar purchases
  < Works like a regular VISA card
  < ODOT cards are issued by Bank of America's VISA platform
