## Transportation Improvement District (TID) SFY 2019 Registration Open Period: May 1 - May 31, 2018

### Registration Requirements

To apply for the ODOT's funding, a TID must be registered with the agency. If a prior registration has been approved, no additional action is necessary to be eligible to submit for current or future funding requests. This year's registration period is open from May 1 - May 31, 2018.

To obtain registration approval with the ODOT, a TID must submit a current Board roster and meet one of the following criteria, in accordance with House Bill 26, Section 203.40:

A. The Transportation Improvement District, by a resolution or resolutions, designated a project or program of projects and facilitated, including in conjunction with and through other governmental agencies, funding for costs of a project or program of projects in an aggregate amount of not less than \$10,000,000 within the eight-year period commencing January 1, 2005.

B. The Transportation Improvement District, by a resolution or resolutions, designated a project or program of projects and facilitated, including in conjunction with and through other governmental agencies, funding for costs of a project or program of projects in an aggregate amount of not less than \$15,000,000 from the commencement date of the project or program of projects.

C. The Transportation Improvement District has designated, by a resolution or resolutions, a project or program of projects that has estimated aggregate costs in excess of \$10,000,000 and the County Engineer of the county in which the Transportation Improvement District is located has attested by a sworn affidavit that the costs of the project or program of projects exceeds

\$10,000,000 and that the Transportation Improvement District is facilitating a portion of funding for that project or program of Am. Sub. H. B. No. 51 130th G.A. 394 projects.
