

16. ODOT will update all counties, municipalities, local and regional planning authorities, and historical organizations through direct notification or email, and through ODOT's web site, of the bridges in their respective areas listed in or eligible for listing in the NRHP, as they are represented in the ODOT Historic Bridge Inventory Database.

Eligibility

Mr. Martin and Mr. Partridge,

Please see the attached SHPO concurrence letter which elevates the Clyde Hill Road Bridge to historical status based on new information that identifies this structure as a rare surviving example of a Morse Bridge Company design.

The bridge qualifies for Transportation Alternative Funding through ODOT's Office of Local Programs for preservation and rehabilitation of historic structures.

<http://www.dot.state.oh.us/Divisions/Planning/LocalPrograms/Pages/TransportationAlternatives.aspx>

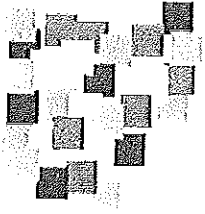

Please call or email if you have any questions or comments.

Thanks,
Tom
