

Give Them Some Room

Watch Out for Blind Spots

The plow driver's field of vision is limited. If you can't see the plow's side mirrors, the driver can't see you. Stay two to three car lengths behind the plow.

Blind Spot

Ice & Snow... Take it Slow

Snowplows travel well below the posted speed limit. Be patient. Try not to pass the plow. Watch for sudden stops or turns.

Beware of Snow Clouds

Snow plows often create clouds as they clear the roads. These snow clouds can reduce your ability to see.
