HANCOCK COUNTY: Concrete work to restrict traffic on Interstate 75 for one month beginning tomorrow

The following traffic impacts related to the reconstruction and widening of Interstate 75 in Hancock County and through the city of Findlay are scheduled to occur. General contractor on the project is Beaver Excavating, Canton. All work is weather dependent.

INTERSTATE 75 THROUGH HANCOCK COUNTY

Interstate 75 northbound will be restricted to two lanes beginning at approximately 7 a.m. Tuesday, March 19 during placement of concrete for a protective barrier wall. The restriction will begin at the U.S. 224 interchange and continue to county Road 99.

The restriction will remain in place for approximately one month.
