Buckeyetraffic.org - Ice and Snow Information for Reporters and Producers

Get winter weather road conditions *instantly* with the click of your mouse! **Buckeyetraffic.org** gives you the most up-to-date road conditions without having to pick up the phone. Buckeye Traffic allows you to access web cams, snowfall totals, pavement temperatures, precipitation type, road conditions, number of crews and much more! Site visitors can also check conditions for ODOT-maintained roads in all of Ohio's 88 counties. The weather/road condition section of **Buckeyetraffic.org** will be activated during the winter months.
