

Waterville Bridge

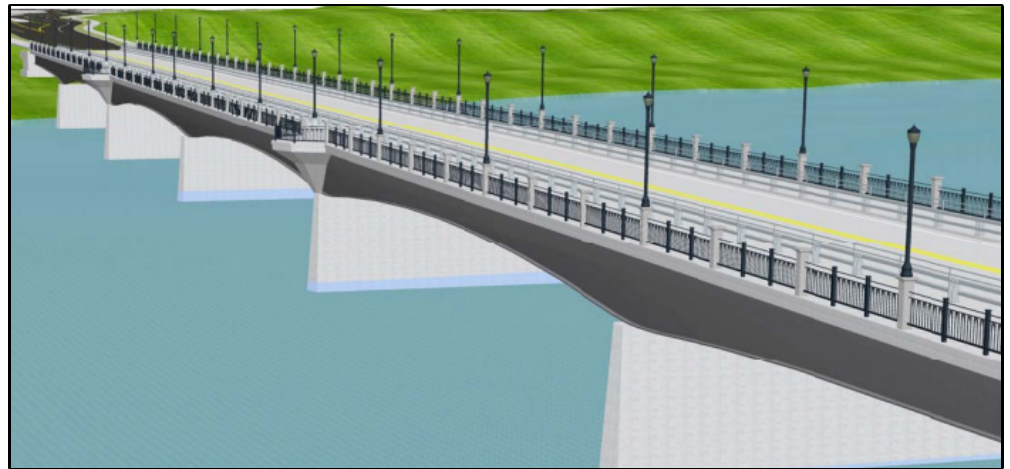

Project Update

JUNE 2018

A new Waterville Bridge is being constructed adjacent to the existing bridge, connecting Lucas and Wood counties over the Maumee River.

PROJECT DETAILS

- Dedicated left turn lanes (in each direction) at SR 64/ Mechanic St. & N. River Rd. intersection
- Roundabout at SR 64/65 in place of existing 3-way stop

BRIDGE FEATURES

- One 12' driving lane in each direction with 4' shoulders
- One protected 12' shared use path on the north side/downstream
- One protected 7' sidewalk on the south side/upstream
- Five observation platforms
- Complementary lighting and see-through railings

TRAFFIC IMPACTS

2018:

- 45-day closure of bridge and SR 64/65 intersection starting June 18

2019:

- One weekend closure to tie in new bridge with roadway (dates tbd)

Posted Detours:

- SR 64/Bridge detour: SR 65, SR 295, US 24
- SR 64/65 intersection detour: SR 25, SR 582

Signs will be posted two weeks before a planned closure.
