US 20 Widening Project

MAJOR RECONSTRUCTION

Project Update

Business Outreach Meeting
Thursday, April 11, 2019

2019 WORK

EAST END:

From Jaycox Rd. to Broad Blvd.

- Finish water line installation between Wildflower Condos & the east end of project
- Finish storm sewer installation between the east end of the project and Jaycox Rd.
- Finish Pavement on the north side of US 20 from Jaycox Rd. to the east end of the job
- Finish pavement with the intersecting roads on the north side of US 20, including Jaycox Rd. and Lear Nagle Rd. intersections.

2019 WORK

WEST END:

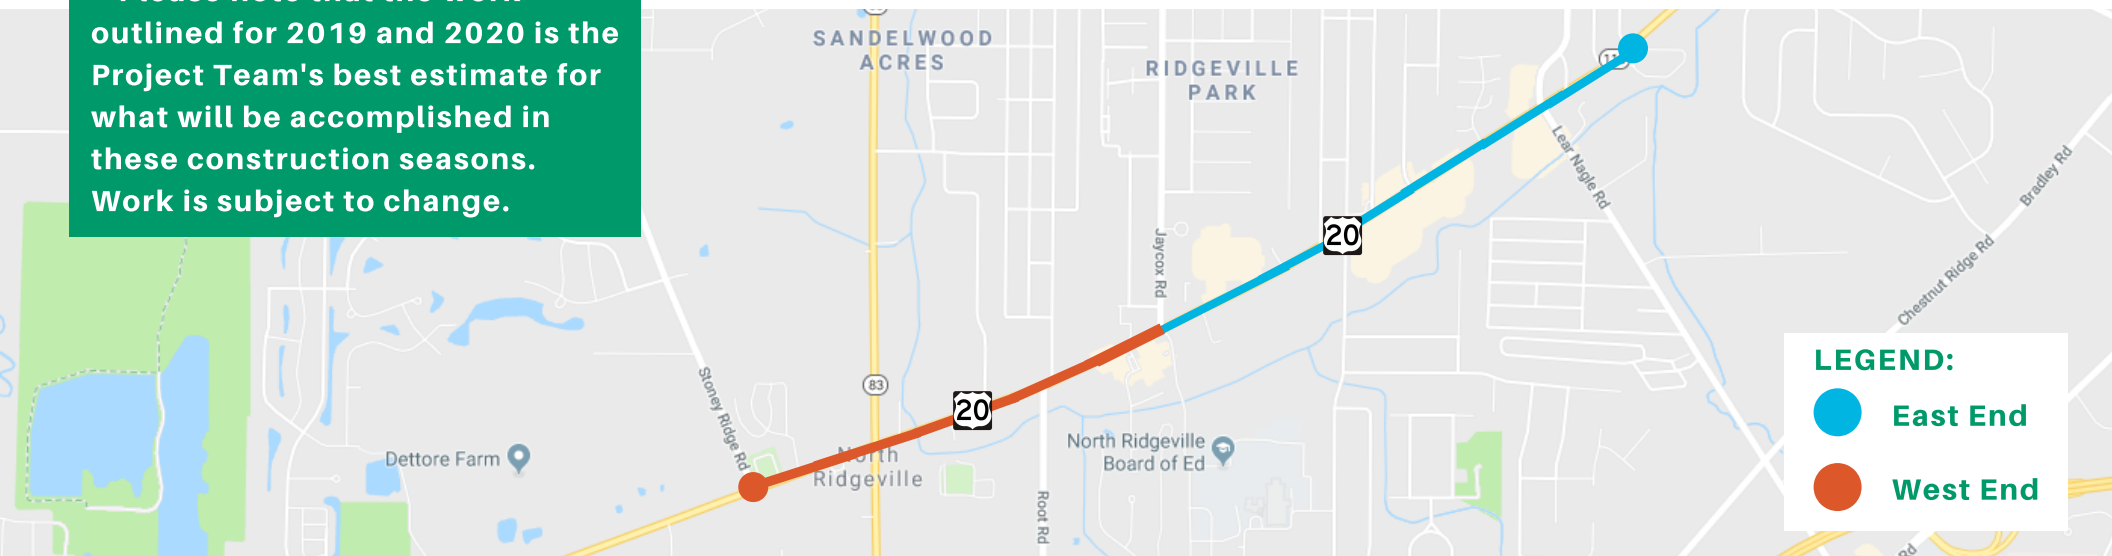

Jaycox Rd. to Stoney Ridge Rd.

- French Creek culvert construction
- Storm Sewer work from Jaycox Rd. to the west end of the project
- Construct temporary and permanent pavement on the south side of US 20
- Continue work on the Root Rd. structure over French Creek
- Start work on the Root Rd. intersection realignment
- Start pavement reconstruction with intersecting side roads, including SR 83

2020 WORK

- Build the north side of the storm sewer, water line, and pavement
- Complete reconstruction of pavement with intersecting side roads
- Construct the shared use path
- Install traffic signals
- Place the surface course on the full length of the project
- Place pavement markings, install lighting and finish sidewalks

*** Please note that the work outlined for 2019 and 2020 is the Project Team's best estimate for what will be accomplished in these construction seasons. Work is subject to change.**
