

## The project includes the following improvements:

Roadway reconstruction and widening from 3 lanes to 5 lanes

Constructing a new 10ft. shared-use path

New storm sewers and water lines throughout the project

New sidewalks with new curb and gutter

Addition of detention basins for storm water control

Upgrading the traffic signals and signage along the corridor

One bridge replacement (Root Rd over French Creek)

One culvert replacement (US-20 over French Creek)
