An open house public involvement meeting was conducted on November 9, 2010, from 5:00 pm to 7:00 pm at the ODOT, Mahoning County Maintenance Facility located at 401 W. Main Street, Canfield, Ohio. Environmental studies and displays were presented to the public depicting the proposed SR 46/US 62/Herbert Road improvement project. Representatives from the Ohio Department of Transportation and Eastgate Regional Council of Governments were available to discuss the project and address questions.

Public officials, business/property owners and interested citizens were invited to attend the public involvement meeting by direct letter. The general public was informed of the meeting by news release in the local newspapers (The Youngstown Vindicator and Warren Tribune) and through coverage on local television and radio stations resulting from a news release issued by ODOT, District 4 Office of Public Information on October 21, 2010.

Approximately thirteen (13) people attended the open house public involvement meeting. An informational handout was provided to all attendees along with a comment form for written comments. Oral comments and questions were addressed by representatives from the Ohio Department of Transportation and Eastgate Regional Council of Governments. One (1) written comment was received during the public involvement meeting and the public comment period that concluded on November 30, 2010.

The following is a summary of the received written comment and response to that comment during the public comment period.
