

2019 FRANKLIN COUNTY ODOT PROJECTS

1. Interstate 71 Bridge Improvements

Repair bridge approaches on I-71 in Morrow Co. north of SR 314 and near the Richland Co. Line, repair bridge approaches on I-71 in Franklin Co. south of Hudson St. and near Cooke Rd.

Start: April 2019

Complete: September 2019

Investment: \$282,000

2. Franklin County Spot Paving

Pavement repair at various locations on I-71 and I-670 in Franklin County.

Start: June 2019

Complete: October 2019

Investment: \$500,000

3. Interstate 71 North Side Improvements

Widen I-71 south between Polaris/Gemini and the ramp to I-270 west, widen ramp from I-71 south to I-270 west to two lanes, construct opening in the barrier wall for Gemini traffic to merge onto I-71 south sooner.

Start: September 2019

Complete: October 2020

Investment: \$3,491,100

4. State Route 161 Resurfacing

Resurface SR 161 from SR 257 to west of SR 315 and from the Worthington Corp. Limit to west of Huntley Rd.

Start: August 2019

Complete: July 2020

Investment: \$2,419,000

5. US Route 23 North Side Sign Upgrade

Install larger sign supports and signs on US 23 north and south of the I-270 interchange.

Start: July 2019

Complete: July 2019

Investment: \$200,000

6. Interstate 270 Resurfacing

Resurface I-270 from north of Dempsey Rd. to south of Sunbury Rd. and resurface I-270 ramp lanes to the right of barrier wall from SR 161 to south of Easton Way.

Start: August 2018

Complete: July 2019

Investment: \$5,240,500

7. Interstate 270 Noise Wall

Construct noise wall on both sides of I-270 from south of E. Broad St. to north of Main St. and from south of Main St. to north of Livingston Ave.

Start: June 2019

Complete: September 2020

Investment: \$6,300,000

8. Interstate 270 Spot Paving

Repair pavement and resurface ramps at the I-71/270 interchange on the North Side. Spot paving at various locations near the I-71/270 interchange.

Start: August 2019

Complete: November 2019

Investment: \$600,000

9. US Route 33 Widening

Resurface US 33 from I-270 to Hamilton Rd., construct an additional lane in each direction between Hamilton Rd. and the I-270 north ramps, widen the Big Walnut Creek bridges and replace damaged beams on Gender Rd. bridge over US 33 west.

Start: May 2018

Complete: October 2019

Investment: \$14,932,330

10. US Route 33 Intersection Improvements

Widen US 33 to add a dedicated southbound right turn lane and dual southbound left turn lanes at Fishinger Rd., install new traffic signals and curb ramps.

Start: June 2019

Complete: September 2019

Investment: \$2,100,000

OHIO DEPARTMENT OF
TRANSPORTATION

11. US Route 33 Resurfacing

Resurface US 33 from east of Cambridge Blvd. to west of Fishinger Rd.

Start: May 2019

Complete: September 2019

Investment: \$1,117,000

12. US Route 62 Resurfacing

Resurface US 62 from just north of I-270 on the South Side to just north of Bellmead Ave., upgrade traffic signal technology at two intersections.

Start: April 2019

Complete: September 2019

Investment: \$1,158,000

13. Interstate 670 Culvert Repair

Repair culvert under the railroad tracks west of Grandview Ave. that drains storm water from the interstate.

Start: August 2019

Complete: December 2019

Investment: \$322,000

14. Interstate 670 SmartLane

Resurface both directions of I-670 and install SmartLane on I-670 east from just east of I-71 to I-270 on the East Side, reconfigure ramps at the I-270/I-670/US 62 interchange.

Start: July 2018

Complete: June 2020

Investment: \$60,923,000

15. Interstates 70 and 71: East Interchange

Reconstruct and widen I-70 east between 4th St. and Miller Ave., construct new ramps from Fulton Ave. to I-70 east and I-70 east to Parsons Ave., reconstruct Mooberry St. from Parsons Ave. to 18th St., reconstruct Fulton St. between Third St. and Fourth St. and construct eight retaining walls.

Start: May 2019

Complete: July 2021

Investment: \$72,134,000

16. Interstates 70 and 71: Grant Avenue Bridge

Replace Grant Ave. bridge over I-70, construct four retaining walls along I-70, reconfigure Mound St. and Fulton St., convert Mound St. to one-way westbound only between Front St. and Fourth St.

Start: July 2017

Complete: May 2019

Investment: \$41,853,600

17. Interstate 70 East Side Resurfacing

Repair pavement and resurface both directions of I-70 between Fairwood Ave. and the Fairfield Co. Line.

Start: August 2018

Complete: August 2019

Investment: \$5,392,000

18. Interstate 70 West Side Resurfacing

Repair pavement and resurface I-70 from west of Wilson Rd. to US 40 (Broad St.), repair I-70 east bridge over Harper Rd. that was damaged in a crash.

Start: April 2019

Complete: October 2019

Investment: \$10,649,000

19. Wilson Road Bridge Repair

Replace damaged beams and repair structural steel on the Wilson Rd. bridge over I-70.

Start: March 2019

Complete: April 2019

Investment: \$484,080

20. Interstate 71 Widening

Construct third lane in both directions of I-71 between US 62 and the Pickaway Co. Line, replace bridges over Big Darby Creek.

Start: March 2019

Complete: November 2020

Investment: \$12,629,000

21. Interstate 71 South Side Mega Fix

Reconstruct and widen I-71 from SR 315 to Stringtown Rd., replace five bridges, reconfigure interchange of I-270 and I-71 south, build new ramp from I-71 south to Stringtown Rd., construct two noise walls.

Start: August 2017

Complete: June 2020

Investment: \$113,106,300

22. New Albany Signals

Install fiber optic signal interconnection, monitoring cameras and signal system software at 19 intersections along US 62 and SR 605 in New Albany.

Start: April 2019

Complete: November 2019

Investment: \$1,225,000

23. Culvert Rehabilitation

Rehabilitate culverts under SR 315 between Bethel Rd. and Henderson Rd. and a culvert near I-270/US 23 on the North Side.

Start: July 2019

Complete: October 2019

Investment: \$600,000

24. US Route 33 Smart Mobility Corridor

Develop Smart Mobility technology by installing communication units along US 33 from Avery Rd. in Franklin Co. to SR 347 in Logan Co.

Start: May 2019

Complete: May 2020

Investment: \$2,665,500

25. Franklin and Union County Smart Mobility Corridor

Develop Smart Mobility technology by installing fiber optic cable along various local roadways in Franklin, Logan and Union Counties.

Start: September 2018

Complete: July 2019

Investment: \$4,490,000
