

2013 FRANKLIN COUNTY PROJECTS

1. Elm Street Bridge Replacement

Replace bridge over Mason Run, at E. Main Street.

Start: June 2013

Complete: November 2013

Investment: \$324,000

Traffic Impact: Elm Street will be closed between Collingwood Avenue and Robinwood Avenue, except to local traffic, with posted detours.

2. Interstate 270/Roberts Rd. Interchange

Reconstruct the I-270/Roberts Rd. interchange.

Start: May 2013

Complete: October 2014

Investment: \$8,781,891

Traffic Impact: Closure of Roberts Rd. over I-270 for 100 days with posted detour. The Roberts Rd. ramps will remain open. Each side of Wilson Rd. closed for 15 days each. Weekend closures of Westbrooke Rd. and Old Roberts Rd. with posted detours. Nighttime lane and ramp closures with detours.

3. Interstate 270 Bridge Improvement

Replace bridge decks over Scioto Darby Creek Rd. and Norfolk Southern RR

between Roberts Rd. and Cemetery Rd.

Start: April 2013

Complete: June 2013

Investment: \$3,090,154

Traffic Impact: One-lane closures only on weekends.

4. Interstate 270 Reconstruction

Reconstruct I-270 between US 62 and Roberts Rd.

Start: July 2011

Complete: July 2014

Investment: \$80,614,317

Traffic Impact: Two lanes of traffic maintained in each direction south of Broad St. and three lanes of traffic maintained in each direction north of Broad St. using crossovers.

5. Interstate 270 Bridge Improvement

Replace bridge decks on Big Run South Rd. over I-270.

Start: October 2013

Complete: June 2014

Investment: \$1,160,000

Traffic Impact: 60-day closure of Big Run South Rd. between Demorest Rd. and Alkire Rd. with detour. I-270 will be reduced to one lane in each direction nightly.

6. Interstate 270 Noise Wall Installation

Construct a noise wall between Johnstown Rd. and Goshen Ln.

Start: May 2013

Complete: November 2013

Investment: \$591,581

Traffic Impact: Ramp from I-270 north to US 62 will be reduced to one lane during off-peak hours.

7. Interstate 270 Spot Repairs and Ramp Resurfacing

Spot pavement repairs on I-270 and ramp resurfacing at I-270 and US 23 and at I-270

and I-71 on the south side.

Start: April 2013

Complete: August 2013

Investment: \$2,019,194

Traffic Impact: Various lane and ramp closures on I-270 and I-71 at night (7 p.m. - 5 a.m.).

8. Interstate 270 Widening

Widen I-270 between I-71 and US 23 in southern Franklin County.

Start: August 2013

Complete: September 2014

Investment: \$25,800,000

Traffic Impact: Two lanes of I-270 will be maintained in each direction with one-lane closures at night. Various ramp closures between I-71 and US 23 are permitted at night with posted detours.

9. Mound Street Connector

Construct an exit ramp from I-70 to Mound St. downtown.

Start: July 2013

Complete: November 2014

Investment: \$28,064,000

Traffic Impact: Permanent closures of I-70 west to 4th St. and Fulton St. to I-71 north. Nighttime lane closures on I-70. One lane of two-way traffic will be maintained on Mound St. with flaggers. The 3rd St. to I-70 east ramp will be closed weeknights with a posted detour.

10. Interstate 70 Bridge Improvement

Pavement repair on the bridge from I-70 E to I-270 N on the east side.

Start: April 2013

Complete: September 2013

Investment: \$532,000

Traffic Impact: 40-day closure of one ramp lane.

OHIO DEPARTMENT OF
TRANSPORTATION

- 11. Hilliard-Rome Rd. Reconstruction**
Realign I-70 ramps, widen Hilliard-Rome Rd. from I-70 to the Meijer store traffic signal.
Start: May 2013
Complete: November 2014
Investment: \$5,400,000
Traffic Impact: Two lanes maintained in each direction, including turn lanes and drive access. No lane closures permitted until November 30, 2013.
- 12. Interstate 71 Resurfacing**
Partial depth pavement repair at various locations in southern Franklin County.
Start: May 2013
Complete: October 2013
Investment: \$969,000
Traffic Impact: Various short term lane closures and ramp closures at night and during off-peak hours with posted detours.
- 13. Interstate 71/670 Reconstruction**
Reconstruct the I-71 and I-670 interchange.
Start: July 2012
Complete: September 2014
Investment: \$200,000,000
Traffic Impact: Two lanes maintained in each direction on I-71 and various ramp closures.
- 14. Interstate 71 Resurfacing**
Repair pavement and resurface I-71 between Second Ave. to the pedestrian overpass.
Start: July 2012
Complete: September 2013
Investment: \$7,870,355
Traffic Impact: Lanes and ramps will be closed nightly with posted detours.
- 15. Interstate 71 Safety Upgrade**
Lighting on I-71 upgraded at Norfolk Southern RR, south of 11th Ave.
Start: June 2013
Complete: October 2013
Investment: \$552,000
Traffic Impact: Nightly ramp closures: 5th Ave. to I-71 N and 11th Ave. to I-71 S with a posted detour. Also, nightly lane closures on I-71 from Leonard Ave. to Cooke Rd..
- 16. Interstate 71 Resurfacing**
Pavement repair and resurfacing between I-270 in Franklin County to Powell Rd. overpass in Delaware County.
Start: October 2013
Complete: May 2014
Investment: \$3,500,000
Traffic Impact: Lane and ramp closures nightly with posted detours.
- 17. Scioto Bikeway Connector**
Construction of a bikepath to allow continuous travel along US 33 to the existing bikepath at the I-670/Grandview Avenue interchange.
Start: June 2012
Complete: September 2013
Investment: \$4,209,049
Traffic Impact: Grandview Avenue will be closed along the bikepath. Overnight ramp closures also permitted. Existing bikepath closed.
- 18. State Route 3 Resurfacing**
Pavement repairs and resurfacing from US 23 to Myrtle Avenue and from Morse Rd. to SR 161.
Start: April 2013
Complete: October 2013
Investment: \$3,093,381
Traffic Impact: One lane of two-way traffic maintained with flaggers at night.
- 19. State Route 317 Safety Improvement**
Realign SR 317 and SR 665 with the US 23 intersection.
Start: May 2012
Complete: August 2013
Investment: \$3,312,226
Traffic Impact: Maintain one lane in each direction on US 23.
- 20. State Route 317 Resurfacing**
Pavement repair and resurfacing of SR 317 between US 23 and Groveport Rd.. One half-mile break in the construction will be around the Alum Creek Drive intersection.
Start: June 2013
Complete: October 2013
Investment: \$1,041,000
Traffic Impact: Maintain one lane in each direction.
- 21. State Route 317 Intersection Construction**
Resurface pavement and construct a three-lane intersection at Saltzgaber Rd.
Start: April 2013
Complete: October 2013
Investment: \$1,334,579
Traffic Impact: Maintain one lane of two-way traffic with flaggers from Alum Creek Drive to Groveport Rd. except during peak hours on weekdays. Maintain one lane in each direction from Groveport Rd. to Winchester Pike except during peak hours on weekdays. Saltzgaber Rd. will be closed at SR 317 for 10 days.
- 22. State Route 665 Bridge Replacement**
Replace bridge deck at SR 104 over Plum Run.
Start: August 2013
Complete: November 2013
Investment: \$300,000
Traffic Impact: Bridge closed for 30 days with posted detour while school is out.
- 23. The North Side Fix**
Widen US 23 from four to six lanes from I-270 in Franklin County to Lazelle Rd. in Delaware County. Construct two northbound express lanes on US 23, north of I-270.
Start: July 2013
Complete: October 2015
Investment: \$74,335,829
Traffic Impact: Maintain two lanes southbound and three lanes of US 23 northbound. Nighttime lane and ramp closures with posted detour. Lane closures on I-270 during off-peak hours.
- 24. US Route 40 Resurfacing**
Pavement repair and resurfacing on US 40 between South James Rd. and the I-270 ramps.
Start: August 2013
Complete: October 2013
Investment: \$1,192,500
- Traffic Impact:** One lane in each direction on US 40 may be closed except during peak hours on weekdays.
- 25. US Route 40 Reconstruction**
Widening US 40 to six lanes with shoulders between I-270 N and Georgesville Rd./Phillipi Rd.. New curb, sidewalk, storm sewer and median islands.
Start: April 2013
Complete: October 2013
Investment: \$4,283,735
Traffic Impact: Two lanes of traffic maintained in each direction.
- 26. US Route 62 Resurfacing**
Resurface pavement, repair guardrail and upgrade signals from the Pickaway/Franklin County line to I-270.
Start: May 2013
Complete: October 2013
Investment: \$2,403,510
Traffic Impact: At least one lane of two-way traffic maintained with flaggers.
- 27. US Route 62 Bridge Replacement**
Replace the bridge on US 62 over Blacklick Creek.
Start: April 2013
Complete: August 2013
Investment: \$501,865
Traffic Impact: Full closure of US 62 for 45 days. All other times, one lane of two-way traffic maintained with flaggers during off-peak hours.
