Reconstruction near the SR 315 SB Exit Ramp to Olentangy River Rd. started on Monday, July 17. This project will improve the Goodale Blvd/Twin Rivers Dr/Olentangy River Rd intersection and the SR 315/Olentangy River Rd intersection. This $3.5 million project will be complete mid-November of 2017, weather permitting.

Impacts to Traffic:
- Twin Rivers Dr. will close **July 31 for 45 days** south of Goodale Blvd.
- Long-term lane closures on Olentangy River Rd and Goodale Blvd.
- Two SB lanes and one NB lane will be maintained on Olentangy River Rd.
- One EB lane will be maintained on Goodale Blvd.
- Lane closures on SR 315 SB and the SR 315 SB ramp to Olentangy River Rd.

Intersection Improvements:
- SR 315 SB Exit Ramp to Olentangy River Rd. will be widened to three lanes at the traffic signal
- New dual left turn lanes from SB Olentangy River Rd. to Goodale Blvd.
- New right turn lane from NB Olentangy River Rd. to SR 315 SB Ramp
- Olentangy River Rd. will be resurfaced north of Goodale Blvd.
- Goodale Blvd. will be resurfaced at the intersection with Olentangy River Rd./Twin Rivers Dr.

Project Benefits:
- Relieves pressure on Goodale Blvd. & Olentangy River Rd. traffic signals
- Moves traffic to and from SR 315 more efficiently
- Creates opportunities for new development
- Improves safety and reduces congestion on SR 315

Project partners include the City of Columbus and Nationwide Realty.
