

# HELP US HELP YOU

Provide your best contact information so we can tell you about the State Route 3 project.

**Ohio Department of Transportation • District 6 • 400 East William Street • Delaware, OH • 43015**  
**Phone: 740-833-8268 • Email: D06.pio@dot.state.oh.us • Follow us on Twitter: @ODOT\_Columbus**

This spring, ODOT will begin construction on a safety project on State Route 3 in Westerville. The project limits include SR 3 from approximately Old Dublin-Granville Road (SR 161) to Huber Village Boulevard.

ODOT will widen SR 3, construct bike lanes, and improve one interchange and four intersections.

## INTERCHANGE AND INTERSECTION IMPROVEMENTS

**I-270 west to SR 3 north:** ODOT will realign the continuous exit ramp to improve merge length.

**SR 3 and SR 161:** This intersection will be widened and resurfaced.

**SR 3 and Dempsey Road:** ODOT will realign this intersection so that Dempsey and Emrick are aligned, reducing the "wait time" at the traffic signal for east-west traffic.

**SR 3 at Paris Boulevard and Brazzaville Road:** Both intersections will be widened and resurfaced.

Construction on the \$7 million ODOT safety project is set to begin this spring and be completed in 2012.

## DURING CONSTRUCTION

- Access to businesses on SR 3 will be maintained
- One lane in each direction on SR 3 will be maintained.
- Notification of closures or restrictions will be made through email blasts, ODOT District 6 website posts, Twitter, Facebook, Paving the Way and the local media.
- Dempsey Road will be closed for 30 days and Paris Boulevard will be closed for 14 days. Brazzaville Road will also close, duration not known.
- Dempsey Road, Paris Boulevard and Brazzaville Road will not be closed at the same time.
- The Old Dublin Granville Road exit ramp from SR 161 west will close for 14 days because westbound Old Dublin Granville Road east of SR 3 is closed. Westbound Old Dublin Granville Road will then close west of SR 3 for 15 days.

All detour routes will be posted and communicated. For up-to-date traffic and construction information, visit [www.BuckeyeTraffic.org](http://www.BuckeyeTraffic.org).

## CONTACT INFORMATION

Your contact information is important to us. Please email [D06.pio@dot.state.oh.us](mailto:D06.pio@dot.state.oh.us) or call ODOT at **740-833-8268** so we can communicate with you before and during this project.

Motorists, property owners and residents who use this section of SR 3, should expect delays and plan accordingly during the two year construction project.
