The Ohio Department of Transportation's District Eight Production Office is now making its Right-of-Way Plans available in electronic format. The full collection (dating back to the early 1900's) has been scanned in .tif group 4 format and saved to one (1) DVD Disc. The DVD includes a database and search program to locate the plans, and a viewer to browse the scanned sheets. The program is compatible with Windows 95/98/ME/NT4/2000/XP. The reproduction charge is waived for other government agencies.
