AGENDA

- Panel Introductions
- Setting the Scene
- Guided Discussion
THE TIMES THEY ARE A’CHANGING

• Airbnb, the world’s largest accommodations provider, owns no real estate
• Facebook, the world’s most popular media provider, creates no content
• Alibaba, the most valuable retailer, has no inventory
• Uber, the world’s largest taxi company, owns no vehicles
PANELIST DISCUSSION TOPICS

• Is it necessary to identify alternative funding sources for transportation?
• What are your views of the most viable alternative funding sources—state and federal?
• Perspective on the federal role in surface transportation funding
• How have your states adapted to stagnated federal funding?
• What to do, if we can’t “build our way out of congestion?”
• Changes in service delivery—local, state, and private sector
• Talk about disruptions caused by emerging mobility and technology options
• How are you handling changes in your DOT workforce?
