e-Construction is part of FHWA every day counts initiatives

FHWA mission: Optimize construction and contract administration; enhance collaboration; minimize questions, claims, and disputes; improve safety; improving quality; and reduce project duration and cost

- Transparency
- Partnering
- Efficient and Accountable
- Resolve issues through open communication
STIC GRANT 2018
E-CONSTRUCTION COMPLIANCE FOR LPA’S ON STATE & FEDERAL PROJECTS

• In 2017 Hancock County applied for funding for a web-based, Software as a Service, paperless e-Construction management system
• 20 licenses to be distributed to 5 LPA’s to use
  – Hancock County, Summit County, Gallia County, City of Cuyahoga Falls, Lawrence County and Allen County
  – Reporting to ODOT and FHWA
  – Learn and use Appia for one year
  – ODOT to work with partners on policies, procedures and requirements to develop into policy in the future for all LPA’s
OTEC SESSION IS REPORTING PROGRESS TO DATE

• Gavin Diaz, Account Manager from Info Tech in Gainesville, FL will use Hancock County’s projects to provide a short demonstration of how the Appia system works.
• Then we will have a panel discussion where partners will share their experiences
• Open to questions
