

**Prevent water pollution!**

Only  
**Rain**  
goes  
down  
the  
**Drain!**

Storm drains lead to streams, lakes, and wetlands.  
Pollution can harm wildlife, contaminate our  
drinking water and spoil our recreational areas.

**Preventing water pollution begins with you ...**

- Never dump anything into storm drains
- Clean up after your pet
- Do not litter

**Report illegal dumping at 1-800-282-9378**
