Dear Colleagues:

The time has come to recognize successful projects and particularly successful project teams who have exemplified ODOT's dispute resolution process and best practices in Partnering over the past year. It will be a great honor to distinguish the chosen winners by presenting the fourth annual "Don Conaway Partnering Awards" at the upcoming 2016 ODOT/ OCA Conaway Conference.

We are reaching out to our fellow industry team members asking you to nominate the best candidate for each category. In order to preserve equal opportunity, there will be three categories based on project size. We look forward to reading about all of the successful Partnering experiences. We anticipate a very challenging selection process as there are many great projects to choose from.

Please follow the link for further details and to submit nominations for the second annual "Don Conaway Partnering Awards." The deadline is January 8th, 2016.

Thank you for all the efforts made by our teams over the last year as we look forward to seeing the continued success of Partnering in Ohio!

Congratulations again to the 2015 Don Conaway Award Winners!
