

Construction Engineering and Inspection % Project Guidance

Groups	Projects less than \$1 Million	Projects greater than \$1 Million
Base Rate (Default)	10%	7%
ELLIS Primary Work Category: - Roadway Minor Rehab (1003) - Pavement Maintenance (1075)	7%	4% No Local Funds 6% With Local Funds 8% With Local Funds in a Large MPO Area
Natural Resource Projects	12%	12%
Metro Park	6%	6%

- Assign a single % for the whole project/proposal.
 - Except when projects have a particular plan split with Metro Parks or Natural Resources funding. In these cases, use the appropriate Natural Resource or Metro Park Project percentage rate for that particular Plan Split.

- Any deviation to the table guidance would require CPA approval of the new CE&I %. **The CPA must obtain approval from ODOT's CFO for percentages less than the table value.** The ELLIS Coordinator shall also need to add a "CAP" comment to identify the appropriate %.

- Large MPO Areas are defined as the following:
 - NOACA: Northeast Ohio Area Coordinating Agency- Districts 3 & 12
 - EASTGATE: Eastgate Regional Council of Governments - District 4
 - AMATS: Akron Metropolitan Area Transportation Study - District 4
 - MVRPC: Miami Valley Regional Planning Commission - Districts 7 & 8
 - OKI: Ohio Kentucky Indiana Regional Council of Governments - District 8
 - TMACOG: Toledo Metropolitan Area Council of Governments - District 2
 - SCATS: Stark County Area Transportation Study - District 4
 - MORPC: Mid-Ohio Regional Planning Commission - District 6

- Please direct your questions to your District Ellis Coordinator.
