

Ohio Department of Transportation Prebid Questions

Project No. 100325

Sale Date - 5/27/2010

Question Submitted: 5/18/2010

Question Number: 1

General Note for Item 503, Unclassified Excavation, As Per Plan, limits unclassified excavation to the abutment sections showing a 1:1 layback of the soils. According to the boring log the soils will need to be laid back flatter than a 1:1 to meet OSHA standards. Will The pay quantity be adjusted for the additional excavation and low strength mortar backfill to meet safety standards?

The prebid question shall be addressed by addenda.

Question Number: 3

The strand detail for both bridges shows all 40 strand locations(which we believe to be excessive), but does not indicate the design quantity or locations. Are the standards to be used instead of what is shown? Also on page 67 of 73 only 1 intermediate diaphragm is shown and the standards call for 2.

The prebid question shall be addressed by addendum.

Question Number: 4

Plan sheets 42/73 and 75/73 depict the rear and forward abutments for bridge ADA-348-0481 and include elevations for various points. What is the elevation of the end of the east wingwall at the rear abutment and the west wingwall at the forward abutment of bridge ADA-348-0481? Is the top of the west wing wall at the rear abutment and the east wingwall at the forward abutment of bridge ADA-348-0481 level?

The prebid question shall be addressed by addendum.

Question Number: 5

Addendum No. 3 indicates that plan sheets 42,45, 48 and 68 have been revised. The revised plans are not currently available at the web site indicated. Is <ftp://ftp.dot.state.oh.us/pub/Contracts/Attach/ADA-20874/> the correct site? If so, when will the revised sheets be available?

THIS PLAN SET ONLY HAS 38 SHEETS. NO ADDENDUM REQUIRED.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
