Sale Date - 9/10/2008

Question Submitted: 8/22/2008

Question Number: 1

The quantities for the Polymer Modified Asphalt Expansion Joints for the bridges seem like they are only taking into account 1 joint for each bridge. Ref#'s 19,30,37,44.

Question Submitted: 9/8/2008

Question Number: 2

Ref # 1 Pavement Repair in the proposal states a quantity of 16 SY. The plan detail for this work on page 4 at the bottom right of the page states a quantity of 16 CY. Please clarify whether this item will be paid for by the cubic yard or the square yard.

Thank you for pointing out this inconsistency in the bidding documents. Per CMS 105.04 discrepancies among the bidding documents will be resolve in manner stated. In this case the units in the Proposal have precedence over the units in the plans.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
