

Ohio Department of Transportation - Prebid Questions

Project No. 160103

Sale Date - 3/1/2016

ADA-88718 - SR 247-8.82 Culvert Rehab.

Question Submitted: 2/24/2016 8:58:16 AM

Can a 10'6" x 6'10" or a 10'7" x 7'0" 2-flange galvanized steel liner plate be used as an alternate to the 748.06 material for this liner?

No, please bid plan as is.

Question Submitted: 2/19/2016 3:06:03 PM

Question pertains to item 837 (Liner Pipe, as per plan) The plan calls for a 748.06 Steel Casing Pipe. Suppliers I have spoke to do not manufacture this type of galvanized pipe. Will another pipe material listed in supplemental specification 837 be acceptable?

Section 837.02H in supplemental specification 837 permits ungalvanized steel casing pipe. Bid as is
