

# Ohio Department of Transportation Prebid Questions

Project No. 080039

Sale Date - 1/25/2008

---

Question Submitted: 1/10/2008

Question Number: 1

Ref. no. #4 (Sealing of Concrete Surfaces) has a quantity listed in the proposal of 6584 s.y. to seal parpaets, abut. piers. That quantity should be about 658s.y. to 700 s.y. in looking at the structure. Please verify and correct the estimated quantity as an unbalanced bid is sure to follow.

**Addenda #3**

Question Submitted: 1/10/2008

Question Number: 2

The Proposal talks about RR Protective Liability Insurance. Should there be a bid item for this or is this cost incidental to the patching?

**Addendum**

Question Submitted: 1/10/2008

Question Number: 3

Per the Proposal, Bridge No. DEF-18-2917 (RR Bridge) reference number 4 Sealing Concrete Surfaces (Epoxy-Urethane), the quantity of 6,584 SY seems very high relative to the size of this structure. Please clarify.

**The quantity shown in the plans was verified by a construction person and this is to seal all the concrete surfaces. No Addendum shall be required.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
