

# Ohio Department of Transportation Prebid Questions

Project No. 065016

Sale Date - 10/19/2006

---

Question Submitted:

Question Number: 1

There are two items listed to be performed by City. Amount spaces are left open for these items in the bid documents. Is the contractor supposed to put in bid amounts for performing excavation of these items or is the city performing all of this item?

**When obtaining the materials quotes from the City, the contractor should inquire from the water department as to what will be required of them for the installation of the questioned items ( ie. excavation, etc.).**

Question Submitted:

Question Number: 2

There are two items listed to be performed by City. Amount spaces are left open for these items in the bid documents. Is the contractor supposed to put in bid amounts for performing excavation of these items or is the city performing all of this item?

**When obtaining the materials quotes from the City, the contractor should inquire from the water department as to what will be required of them for the installation of the questioned items ( ie. excavation, etc.).**

Question Number: 3

There are two items listed to be performed by City. Amount spaces are left open for these items in the bid documents. Is the contractor supposed to put in bid amounts for performing excavation of these items or is the city performing all of this item?

---

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
