

Ohio Department of Transportation - Prebid Questions

Project No. 120305

Sale Date - 5/10/2012

ALL-83764 - VA-BM-FY2012

Question Submitted: 5/8/2012 11:46:14 AM

1. Can the existing structure drawings be made available?
2. Can the Dept. tell us specifically which bearings will need to be worked on? (at a minimum either pier or abutment).
3. Can the Dept. tell us specifically which crossframes are to be repaired? Locations may require traffic closures- please advise allowable times.

The bearing refurbishments are at the abutments.**

The crossframe repairs are over the travelled lanes. US 30 does not have lane closure restrictions.
