

Ohio Department of Transportation Prebid Questions

Project No. 100107

Sale Date - 2/25/2010

Question Submitted: 2/15/2010

Question Number: 1

It appears that the quantities on the changed plan sheets in addendum 1 are not reflected in the bid quantities in the ebs file used for submitting one's bid.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
