

Ohio Department of Transportation - Prebid Questions

Project No. 122010

Sale Date - 7/27/2012

ALL-92400 - LR-DISTRICT GARAGE GENERATOR

Question Submitted: 7/24/2012 8:11:00 AM

1. Drawing E4 references a feeder schedule on the bottom right hand corner of the drawing. There is a stamp covering the majority of the schedule making it difficult to read. Can you clarify this schedule?
2. In the bidding documents it references that we need to be pre-qualified 30 days prior to the bid date. Does this pertain to this project as well?
3. On the 1st page of Addendum #2 mentions that all bids must be submitted electronically using Bid Express. On the 4th page it mentions that bids can be submitted as a paper copy. Can you tell me exactly how we need to submit our bid? Our bid packet came with an envelope addressed to ODOT Office of Contracts. We intended on mailing our bid by Thursday.
