Please verify the required quantities of MGS Guardrail and Anchor Assemblies, Type E, MGS at each culvert. The quantities of MGS Guardrail and Type E Anchor Assemblies shown on the subsummaries plan sheet (12/126) does not match the quantities shown on the plan and profile sheets (15, 37, 43, 56 & 83/126).

An addendum will be forthcoming. Guardrail quantities will be corrected.
