

# Ohio Department of Transportation - Prebid Questions

Project No. 130191

Sale Date - 3/28/2013

ALL-93750 - VA-GR-FY2013

Question Submitted: 3/25/2013 2:25:07 PM

After visiting the jobsite it is apparent that there is a significant amount of embankment that will be required to bring this project in compliance with ODOT guardrail requirements. Can a bid item of approximately 1000 cu. yd. be established to address the grading needs that are anticipated for this work?

**Any excavation or embankment required for reshaping the berms to comply with ODOT guardrail standards when removing existing guardrail or erecting new guardrail is considered incidental to Item 209 Reshaping Under Guardrail.**
