

Ohio Department of Transportation Prebid Questions

Project No. 050077

Sale Date - 2/23/2005

Question Submitted: 1/19/2005

Question Number: 1

There is no seeding set up in the job to seed shoulders thru the length of the job or disturbed areas where conduit is to be installed. How to address seeding in these areas? There is 4813 ft of re-shaping under guardrail, is seeding to be included in this item?

Question Submitted: 2/14/2005

Question Number: 2

Maintaining Traffic SR 83

In the MOT notes under wintertime limitations the plans give November 1 as interim completion date for SR83 but under Sequence of Construction the plans give Oct. 15 as interim completion date. Please clarify which date is the interim completion.

Thank you

Question Submitted: 2/9/2005

Question Number: 3

Will calculation sheets be provided according to changes made and new items added per addendum #1?

No additional information will be made available.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
