

Ohio Department of Transportation Prebid Questions

Project No. 070390

Sale Date - 8/15/2007

Question Submitted: 8/3/2007

Question Number: 1

What depth is required for the 4" shallow pipe underdrain?

Question Submitted: 8/3/2007

Question Number: 2

This project contains Item 255 - Full Depth Pavement Removal and Rigid Replacement. The plans include 500 SY of this item, but do not state where these will be located. Can ODOT clarify where they intend for this work to be done (2-lane section / Northbound 4-lane / Southbound 4-lane)? Maintenance of traffic requirements will vary significantly depending on the area in which this work is performed.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
