Question Number: 4

Page 8 Station60+00 left. What does 1sv refer to. Page 7&8. Can excess dirt be wasted on site outside the work agreement to the north or west?

**District 3 Response: the "1SV" refers to the parcel number which is under ownership other than the State of Ohio. On page 8 the City of Ashland is identified as the owner. District 3 Response: The contractor will have to discuss this request with the property owner and meet our Construction and Material Specifications and contract documents. CMS 105.16 Borrow and Waste Areas is one section of the CMS which addresses this issue. Our environmental involvement was limited to the proposed project work limits only. The Department will not investigate or review any waste or borrow areas prior to the award of the contract.**
