Project No. 120355

Sale Date - 6/7/2012

ASD-86721 - IR-60-26.23

Question Submitted:

6/1/2012 4:09:36 PM

A conflict between Proj. 110596 and Proj. 120335 may exist concerning milling and paving operations at the SR 224 and SR 60 intersection. The Plans for Proj.120355 show milling and paving the intersection on page 5 and 9 of the Plans. Proj. 110596 page 6 and 12 show that the intersection is to be milled and paved under this contact. Please clarify which Project the proposed work at the intersection of SR 60 and SR 224 will be performed.

This ASD-60 project (Project 120355) at the US224 intersection shall remain as shown in the plans to eliminate the rutting at this intersection. The other project (Project 110596) will pave straight through the intersection and not plane and pave the radii of SR60.
