Is this a yearly contract? Is there any more tree/stump removal or pruning other than described on sheet 4/5. Do we have to keep trucks on location in these districts or are we notified when this work is to be done? When shall the work be completed? Thank you.

Yes.

Locations given on sheet 4/5 are the known locations at this time. There will be more tree/stump removals as detailed on sheet 3/5 which will be removed by work order as needed

Trucks are not needed to be kept at District.

Completion date is in the Proposal (9-30-12).
