

Ohio Department of Transportation - Prebid Questions

Project No. 120434

Sale Date - 6/21/2012

ASD-93091 - VA-PR-FY2013(B)

Question Submitted: 6/11/2012 3:51:22 PM

In specification 421 "Microsurfacing" we are requesting that the Department waive the requirement that states that front feed, continuous loading machines must be used on segments over 15,500 square yards. This statement limits competition and is contrary to the Departments normal position of not dictating construct means and methods.

Department will not waive the requirement of item 421
