

Ohio Department of Transportation Prebid Questions

Project No. 080610

Sale Date - 11/5/2008

Question Submitted: 10/1/2008

Question Number: 1

The plans indicate that all of the existing pavement section consists of asphalt. After field examination we found areas of brick & concrete underneath the asphalt wearing surface. Will partial & full depth repair be done in brick & or concrete pavement encountered?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
