

Ohio Department of Transportation - Prebid Questions

Project No. 120489

Sale Date - 7/26/2012

ATB-92525 - VA-LG-FY2013 (EAST)

Question Submitted: 7/18/2012 10:31:10 AM

Bid reference numbers 28 & 29 both are for conventional light pole designs AT12B41.7 & AT18B51.7 respectively. Each of these items has the suffix (AUP) in the description which is not defined in an "as per plan" note or drawing. What does this suffix represent? Can details be given explaining how these poles are different than standard AT12B41.7 & AT18B51.7 poles?
