

Ohio Department of Transportation - Prebid Questions

Project No. 161035

Sale Date - 4/21/2016

ATB-99433 - CS FY 2016

Question Submitted: 4/15/2016 9:53:12 AM

Will areas with spider web cracking or excessive cracking be required to be sealed?

Areas to be crack sealed are per CMS423.

Question Submitted: 3/30/2016 10:49:56 PM

In this project you have no bid items for LEO"s. With the majority of the work to be performed being on highways was this an oversight?
Thanks

Traffic is to be maintained per standard construction drawing MT-99.20 with truck mounted attenuators and per the OMUTCD.

Question Submitted: 3/18/2016 2:05:16 PM

Will crack sealing done in shoulder be paid as separate/independent lane or are we to include shoulder sealing quantity incidental to travel lane sealing?

The shoulder widths are included in the average pavement width for each section. The total square yards of cracking sealing includes the shoulders for each section.
