

# Ohio Department of Transportation - Prebid Questions

Project No. 150288

Sale Date - 5/21/2015

ATH-87044 - Pavement Marking FY2015

Question Submitted: 5/15/2015 12:02:23 PM

Can you please clarify the following questions for construction specification 642.03 (parts 'R & S').

1. What (if any) new equipment will be required to enable the new real-time tracking of the DLS data including GPS tracking?
2. Who will be responsible for setting up and managing the live data collection? (ie. data transmission, secure storage, reporting of the DLS information...)
3. Where will the data be stored and how will the contractor be assured the data will remain secure and tamper-proof?
4. How will contractors be able to access their data?

\*\*\* DISCLAIMER - Prebid questions and answers provided are for informational purposes only and are not part of the Bid Documents. If a question warrants a clarification, the Department will issue an addendum addressing the request.
