What is Ref.6 (AA2)690E98400 LS SPECIAL -MISC.: ADDITIVE ALTERNATES GROUP A (NON-PERFORM)and Ref. 9 (AB2) 690E98400 1.000 LS SPECIAL - MISC.: ADDITIVE ALTERNATE GROUP B (NON-PERFORM) and how are these items to be used?

The Special Misc. items are included as a non-performance alternate to the additive alternate performance items so that ODOT may define in our system the choice to non-perform the work if funding is deemed unavailable. These are zero dollar items so the contractor will not be able to enter a price for the items and thus they should not worry about their inclusion in the bid.
