Project No. 060278

Sale Date - 6/21/2006

Question Submitted: 6/2/2006

Question Number: 1

It appears that the berm quantity on both sections have been doubled. Can you check this out. Also, Is the buggy required only on part 2?

The 617 Berm Quantity is correct (not doubled). The MTV is only required on part 2, the Spreading and Surface Tolerance smoothness spec. is on for Parts 1 & 2.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
